NOTIFICATION TO ALL LICENSED GAMING OPERATORS, GAMING MANUFACTURERS, AND SPORTS WAGERING CONTRACTORS FOR VIDEO LOTTERY FACILITIES, SPORTS WAGERING FACILITIES, AND INSTANT BINGO FACILITIES.

On Aug. 2, 2024, MLGCA Staff notified licensees that Crane Payment Innovations/CPI, the parent company of MEI does not hold a manufacturer license or sports wagering contractor license in Maryland. Gaming equipment must only contain components by Commission-licensed manufacturers.

As of the date of this Notification, licensees are not permitted to install any new or refurbished MEI products in any gaming equipment that is not already on the premises. The Agency intends to work with licensees to facilitate the removal or replacement of any gaming equipment containing MEI products. Licensees may continue using MEI products that were installed and operating on their gaming floors or that were on the premises as of August 23, 2024.

All MEI equipment must be removed as soon as practicable from gaming operations, but no later than December 31, 2029.

This notification applies to the following gaming equipment: bill validators, cashboxes, comm cards and any other MEI products. These products shall not be used in video lottery terminals, electronic table games, kiosks, ticket redemption units, electronic instant bingo machines and any other gaming devices.

No equipment installed from this point forward may utilize any MEI technology or equipment. MLGCA Staff will notify licensees if Crane Payment Innovations/CPI's licensing status changes.

If a licensee has any equipment order in process, you must notify MLGCA Staff immediately. Please contact Jennifer Wetherell, Director of Electronic Gaming Device Operations, jennifer.wetherell@maryland.gov.
